Experience

DevOps Assistant Sep. 2024 - Present
Canella & Santos Contabilidade Consultiva Volta Redonda, RJ, Brasil

- **Process Automation:** Developed approximately 14 process automations supporting accounting operations and recurring business workflows.
- **Internal Platform Development:** Built Libby, an internal web platform used daily to centralize automations, featuring job queues, scheduling, execution logs, partial-failure tracking, and agents running on Windows VMs.
- **Systems Integration:** Integrated Domínio, Onvio, Gestta, spreadsheets, and PDFs to automate document generation, verification, and publication.
- **Marketing & Digital Content:** Created visual content, worked on Instagram art direction and branding, produced and edited videos and event livestreams, and developed an eBook Library for QR-code content access, lead capture, and campaign-source tracking.

- **Bot Development:** Built Gerson, Rebecca, and Bip to organize information from business systems, emails, and spreadsheets and deliver team notifications through Discord.

Law Firm Intern Jul. 2020 - Nov. 2023
Sede de Justiça - Dra. Rosana Advogada Volta Redonda, RJ, Brasil

- Supported administrative operations through document management, scheduling, and financial tracking.

Institutional Lead Representative - Volunteer Jul. 2018 – Jul. 2020
ABIJSUD - A. Brasileira d'a Igreja de Jesus Cristo dos Santos dos Últimos Dias Fortaleza, CE, Brazil

- Led teams of more than 20 volunteers from multiple nationalities in Fortaleza, Ceará.
- Developed training activities and evaluated results to maintain consistent standards and quality.
- Trained three international volunteers in prospecting, networking, Portuguese communication, and leadership.
- Implemented new work methodologies to support team objectives.
- Organized activities promoting volunteers' physical and emotional well-being.
